Man and Wife, All Run-Down From Farm Work, Were Greatly Helped By Ziron

"My wife and I, after a hard spring on the farm, were tired and run-down," says Mr. E. B. Mulkey, of route 1, Acworth, Ga. "We neither felt well. I knew my blood was bad, as I had little boils on the back of my neck."

"We felt we needed a builder. We had heard of Ziron and thought it must be what we needed. It certainly was. We took it faithfully, and after a week or such a matter we began to feel better. My wife felt like cooking, and I sure felt like eating."

"Ziron sure did us good. It made

us both feel stronger and better for the fall work, which everyone knows is 'some work' on a farm. My boils began to dry up, though just at first they seemed worse."

"We are much better and can highly recommend Ziron, and gladly do so for it sure did us good."

Ziron is a safe, reliable, tonic medicine, good for men, women and children, when an iron tonic is indicated. It is easy to take and contains no habit-forming drugs. Ask your druggist or dealer. adv.

For Beautiful Hair

Take the advice of highest medical authorities

THERE have been many conflicting claims as to the proper treatment and care for the hair. There has been much confusion and ignorance. Now the confusion is ended. The way is known definitely—safely.

Everyone (men, women and children) should have healthy hair. Nature provided it in the beginning. Proper treatment will preserve it through life.

The most eminent authorities have prescribed the way to prevent the loss of the hair's life and luxuriance.

Highest Authorities

The Council of the American Medical Association (the highest authority known) has recognized Resorcinol Monoacetate for the treatment of dandruff (seborrheal eczema) and baldness (alopecia-areata)—the common foes of beautiful hair. Resorcinol Monoacetate is the principal ingredient of La Creole Hair Tonic. Thus science approves the use of this wonderful preparation.

Abundant vigorous hair is now easily attained.

Simple Directions

Two or three times a week apply La Creole Hair Tonic to the scalp. Moisten the hair and scalp thoroughly—massaging the scalp with a rotary motion of the finger tips. Scalp circulation is then stimulated, the hair roots supplied with needed nourishment, and dandruff quickly eliminated. You will notice an immediate improvement in the loveliness of your hair.

Proper Shampooing

Absolute cleanliness is essential for beautiful, healthy hair. The scalp is con-

stantly throwing off old skin and extraneous substances. If the pores and hair tubes are clogged with dirt and perspiration, a healthy condition of the hair is impossible. Regularly every ten days or two weeks shampoo the hair thoroughly with La Creole Liquid Shampoo.

La Creole Liquid Shampoo is made from an exclusive Menthol formula of purest coconut and cochin oils. You will instantly notice the delightful, cooling effect from its use. The hair becomes soft and lustrous—dries quickly—and the scalp and pores glow with clean health and vigor.

Always apply La Creole Hair Tonic after shampooing. Follow these rules faithfully and notice the improvement in the loveliness of your hair.

When purchasing La Creole Liquid Shampoo be sure to get La Creole Hair Tonic also, because the formula of each is designed to aid the other.

"La Creole" Hair Dressing

is a treatment for the gradual restoration of the natural dark color to hair that has grown gray, gray streaked or faded.

FOOD FOR THOUGHT—The Words of a Voter.

"I have a grown son, who will vote in this election. Yet he was a little fellow only seven years of age when your opponent, Mr. Crump, first held office in Memphis."

Such were the words used by a man whom I met in my canvass. Then he added:

"I have voted for Mr. Crump several times in the past, but I think he has received enough from the people of this county, and should be satisfied. This time I am going to vote for you, and so is my son."

When I started in this campaign, the words I heard most often were these: "Boyd, I am going to vote for you, but you've got a hard machine to beat." Now they leave off the last part, and say: "Boyd, I'm going to vote for you. Crump has had it long enough."

The talk about the power of the machine is dwindling rapidly; the machine itself is dwindling rapidly. AFTER THIS ELECTION THE CUSTOM OF SITTING BEHIND LOCKED DOORS, SELECTING CANDIDATES FOR OFFICE AND TRYING TO FORCE THEM UPON THE PEOPLE WILL BE A THING OF THE PAST IN THIS CITY AND COUNTY. I am in close touch with all sections, and the reports I have are that the people have decided to wreck the machine. THERE IS NOT THE SLIGHTEST DOUBT THAT WE WILL WIN BY A HEAVY MAJORITY.

Respectfully,

MARTIN BOYD

Candidate for COUNTY TRUSTEE.

Election Thursday, August 5th.
